Corner Guards

Architectural Products **inpro®**

They're not just Door + Wall protection products.

They're ding diminishers.

They're like bouncers, but for walls and doors. They're busy preventing constant damage while keeping up appearances all to preserve the look of building interiors. It's a tough job, but we're the ones who make it happen.

why inpro.

Our foundation was built on Door and Wall protection - so we know the industry inside and out. Our in-house experts are here to guide you through the selection process so you're sure to get the right products for your next project.

unmatched
protection

When it comes to wall protection, we believe in giving you options for material choices. We'll never sacrifice durability. Our products are designed to stand the test of time.

low maintenance
saving you time and money

Our products may look high maintenance ... but don't let good looks fool you. Our products are long-lasting and easy to clean, saving you time and money on maintenance and repairs.
